

March 2008

Titles of Standards and Laboratory Test Reports authorized in the Province of Ontario under the TSS and the Ontario Gas Utilization Code..

Authorized standards include:

- a) Standards and Other Recognized Documents (ORD's) accepted by the Standards Council of Canada (SCC) or SCC accredited standards development organizations; and
- b) Standards, codes and ORD's that are referenced in the codes or standards adopted under Ontario Fuels Regulations on fuels; and
- c) Other Recognized Documents (ORD's) approved by the Interprovincial Gas Advisory Council (IGAC); and
- d) The documents listed in Appendix A as amended from time to time.

Unless otherwise stipulated, the standards, codes and ORD's are effective 12 months after publication.

Exceptions:

1. The codes adopted in the Fuels Regulations' Code Adoption Documents (CADs) have been specifically modified and adopted for Ontario's use. The codes as outlined in the CAD's shall prevail.
2. Any code or standard modified or adopted by a Director's order. The codes and/or standards as outlined in the specific Director's order shall prevail.
3. The Standard Z21.11.2b for Unvented Gas-Fired Room Heaters is not adopted. Unvented room heaters are not allowed in Ontario.

Compressed Gas Association Standards:	
Pamphlet C-6-1984	Standards for Visual Inspection of Steel Compressed Gas Cylinders (Last revised 1993)
Pamphlet S-1.1-1989	Guidelines for Visual Inspection and Requalification of Low Pressure Aluminum Compressed Gas Cylinders (Last revised 1999)
Pamphlet S-1.1-1989	Pressure Relief Device Standards Part 1- Cylinders for Compressed Gases (Last revised 1994)
Pamphlet V-1-1987	Compressed Gas Cylinder Valve Outlet and Inlet Connections (Last revised 2000)
CGA Laboratory Requirements	
No. Lab-003b	Excess Draft Reducing Devices
No. Lab-009	Flexible Gas Tubing for Natural and Propane Gas Piping Systems (June 1992)
CGA Certification Requirements	
CR90-002	Earthquake Actuated Gas Shut-off Systems (January 1990)
CR90-003	Paint Spray Booths and Drying Ovens (February 1992)
CR90-010	Natural Gas Torch Burners
CR91-002	Manually Operated Gas Valves for Use on 2 psig Piping Installed Indoors (April 1992)
CR91-006	Requirements for CGA Qualifications of Facilities Engaged in Rebuilding Gas Controls for Gas Appliances
CR92-001	Propane Fueled Floor Maintenance Machines
CR92-009	Swivel Connectors for Use with Flexible Gas Hose Connectors for Movable Gas Appliances
CR95-007	Gas Stops for Hose End Valves
CR96-001	Flexible Metallic Hose
CR96-005	Low Static Unit Heaters for Residential Use
CR96-006	Copper Gas Manifolds

CGA Interim Requirements	
Number 58	Domestic Gas Ranges (March 28, 1995)
Number 60	Lever Operated Gas Shut-off Valves for Pressures Exceeding 860 kPA
CSA TIL No. R-1	Requirements for Appliances Burning Used Oil in an Atomizing Burner 1992/10/28
CSA TIL No. R-2	Requirements for Multiple Oil-Fired Domestic Appliances Utilizing a Common, Through-the-Wall Vent System 1993/9/22
CSA TIL No. R-05	Certification Requirements for Carbon Dioxide Generators for Plant Production 1999/3/25
CSA TIL No. R-06	Requirements for the Horizontal Venting of Gas Fired Low static Unit Heaters Intended for Residential Use 1999/9/3
CSA TIL No. R-07	Requirements for Fuel Gas Piping Systems Using Corrugated Stainless Steel Tubing Exceeding 1 Inch Nominal Inside Diameter 1999/12/13
CSA TIL No. R-08	Requirements for Infra-Red Type Gas-Fired Unvented Construction Heaters 2000/01/14
CSA TIL No. R-10	Requirements for Thermoelectric Generators 2001/09/10
CSA TIL No. R-11	Requirements for Indirect Fired Tobacco Drying Equipment 2001/06/11
CSA TIL No. R-12	Requirements for Indirect Oil-Fired Crop Drying Equipment 2001/08/22
CSA TIL No. R-14	Requirements for Natural Gas Operated Diaphragm Pumps 2003/06/06
CSA TIL No. R-15	Requirements for Valve Proving Systems for Automatic Gas Shut-off Valves 2004/11/05
CSA TIL No. R-17	Requirements for Oil-Fired Hot Water Boilers for Mobile Housing and Recreational Vehicles 2003/10/31
CSA TIL No. R-18	Requirements for Portable Fuel Cell Power Generating Systems 2003/10/31
CSA TIL No. R-19	Requirements for Portable Gas-Fired Water Heaters for Outdoor Use 2006/08/31
CSA TIL No. R-20	Requirements for Vehicle Refueling

	Appliances for Garage Use Applications 2006/02/24
CSA TIL No. R-21	Requirements for Portable Butane Cook Stoves for Restaurant Use 2007/06/01
Warnock Hersey Laboratory Standards	
Gas Procedure Notice GPN-001	Gas-Fired Appliances Using a Non-Fired Burner Medium (October 1992)
Gas Procedure Notice GPN-002	Flexible Gas Vent (October 1992)
Gas Procedure Notice GPN-003	Direct Gas-Fired Circulating Heaters for Agricultural Buildings
Gas Procedure Notice-GPN-006	Requirements for Installation of Through- the-Wall Heaters Without the Use of Return air Duct
<ul style="list-style-type: none"> All four Warnock Hersey Laboratory Requirements are still in use although not as extensively since the amalgamation of standards with CSA, etc. These are the most up-to-date versions
