B. (Registration Fee)

Registration	Registration Fee	HST	Total Fee Due
(Module1) TSSA Regulation Training	\$175.00	\$22.75	\$197.75

1

If paying by credit card, amount in Box 1 to be entered in TSSA Service Prepayment Portal

Training course will run from 8:30 -4:30 each day, with breaks throughout the day. Candidates are required to be present for the complete course to be eligible to write the examination. Examination will be at 12:30 of the 2nd day.

Space is limited to 20 people for each of the two-day sessions

Limit 5 persons per Company (may be extended upon availability)

TSSA to confirm course availability and candidate's eligibility prior to payment. Candidate to be notified with payment details.

C. (Credit Card Payment Process)

Step 1: Save your filled copy of this form with your initials at the end of the filename. Go to [TSSA Service Prepayment Portal](#)

Step 2: Select "New Customer" and fill out the required information. For "Program Area" drop down menu select "Boilers & Pressure Vessels".

Step 3: Select the appropriate form number on the drop down menu.

Step 4: Continue entering your contact information on the next page. For the "Service Fee" enter the amount from "Box 1" in Section B. Under documents section upload a completed copy of this form and qualification or certificate documents as determined in the checklist above (Table A).

Step 5: Next, confirm that the prepayment amount is accurate and select your payment method. Options include Mastercard or Visa. Enter your Credit Card details and then process.

Step 6: Upon completion, a payment confirmation will be generated, and a receipt sent to your inbox. Please retain a copy of the e-receipt for your records.
