ADVISORY	Date: March 2007	Date: August 2024

Subject: Fuels Safety Recognition of Precision Leak Testing Companies
Sent to: Posted on Web-Site

The following precision leak test companies have been recognized by TSSA's Fuels Safety Program to conduct precision leak testing in Ontario. Please note that Fuels Safety Program's recognition is based on a letter from a professional engineer who is a member of Professional Engineers Ontario stating that the company's procedure/equipment meets the requirements of the US Environmental Protection Act (EPA) Protocol.
